

# PLEASE YOUR PALATE

## DINING

Some of the best moments and memories are made over a meal. With a delightfully diverse cuisine, there are oodles of options to please your palette. Mouthwatering local seafood comes straight from the boats to your plate. With seafood to sizzling steaks, all-you-can eat buffets to burgers, crabcakes to chicken cheesesteaks, your memory awaits!

Choose indoor, outdoor, bayside or oceanside dining...the choice is yours!
